Some passive men enjoy the feeling of being "owned", while dominant individuals enjoy the sense of "owning" their partners. Requiring such a man wear testicle cuffs symbolizes that his sexual organs belong to his partner, who may be either male or female. There is a level of humiliation involved, by which they find sexual arousal. The cuffs may even form part of a sexual fetish of the wearer ...

The following fashion illustration is from 1936, the golden age of men's classic style, and shows us a nice mix of cocktail attire for men that would still work today. This illustration clearly shows the evolution of women's dress since the 30's, since these women are wearing hats and suits that were then considered everyday attire rather than business wear.
