Nonetheless, there is no way on earth it could set out examples for every possible type of reference. It does, however, offer an approach for the construction of new sorts of references beyond the various types it catalogues. That approach has been specifically illustrated in this blog already, by earlier postings about manufacturing reference entries for Twitter, Facebook, and Wikipedia. Now ...

The physical science of man's injury to Earth began since he emerged as a species, and now is at its zenith. In spite of the evidence, not much is being done to reduce the damage. I felt sicker and sicker as I read on, and I hated picking the book up once I'd put it down. As a species, humanity is self-serving and aggressive. I've watched Trump pooh-pooh climate change, knowing that our oceans ...

Isaiah's Commission - In the year that King Uzziah died, I saw the Lord, high and exalted, seated on a throne; and the train of his robe filled the temple. Above him were seraphim, each with six wings: With two wings they covered their faces, with two they covered their feet, and with two they were flying. And they were calling to one another: "Holy, holy, holy is the LORD Almighty; the ...
